**DALE DALE!!!**

Speakerdog inspirado en la tradicional piñata, creación la cual se utiliza en festejos, posadas o simplemente por gusto, tomando este icono representativo en México y adjudicándole un toque mas al norte del país, aparece DALE DALE , un personaje feo pero con buenos sentimientos, dispuesto a ser saboteado.

Speakerdog got inspired on traditional piñata, creation which is used on parties, holidays or just for fun, taken this representative icon in Mexico and given it a northy touch, emerges DALE DALE, an ugly character but with a sweet heart, willing to be sabotaged.
